Scholarship

OVER 30 YEARS OF CHANGING LIVES • GIVING PARENTS A CHOICE • GIVING CHILDREN A CHANCE

Building Pathways Beyond High School for BISON Scholars

BISON is very grateful and proud to partner with **Villa Maria College** and **SUNY Erie Community College** (ECC) to provide additional scholarship opportunities for our scholars as they continue their educational journeys. Each partner college provides a different scholarship for eligible BISON Alumni. Please visit the college or BISON's websites for more details.

How it works: BISON alumni interested in these college scholarship opportunities should first apply for admission to the participating college. Once accepted, students can apply for eligible BISON affiliated scholarships through the college or designated scholarship application process.

Interested in partnering with BISON to create more opportunities for BISON Scholars? We'd love to hear from you! Interested colleges should contact BISON at cmoran@bisonfund.org or call (716) 854.0869.
